Stalls are ordered based on your reservation. All stalls must be paid for in advance by check, money order or credit card. Contestants are responsible and liable for any damage to the stalls during your occupancy. Maintenance work orders will be billed back accordingly. There will be no money refunds for unused stalls. All stalls are assigned on a first-paid-first-served basis. Make and send payments to the address above. There will be limited on-site trailer parking. #11.5, #12.5, #9.5 and All-Girl stalls are all located at **1290 Valley Road, Reno, NV.**

1 stall = \$165 for up to four nights even if only stayed in for one night. The easy way to figure your stall cost is to multiply the number of horses you have times \$165. For every night your horses stay in their stall past the fourth night, add \$35. Example: 2 horses staying the whole time = 2 x \$165 = \$330 (both horses for four nights) plus \$35 x 2 horses x 2 extra nights = \$210. Total = \$330 + \$210 = \$520 for 2 horses for 7 total nights.
